

Training Documentation for Hazard Communication Program

I have received training and understand how to read the Materials Safety Data Sheets (MSDS) and container labels regarding hazardous products.

I have received general training on the hazardous chemicals in which I might be exposed.

I understand that I am required to review MSDS's for any material I am using for the first time.

I know where the MSDS's for my work area are kept and understand that they are available for my review.

I understand that I am required to follow the necessary precautions outlined in the Hazard Communication Policy and MSDS's, including use of personal protective equipment and/or apparel.

I know the location of emergency phone numbers and communications systems, and the location of medical, fire, and other emergency supplies.

I am aware of my right to obtain the Hazardous Chemical list, written Hazard Communication Policy and MSDS's at my request.
